The screenshot shows the 'Personal Settings' page of the '全民防災e點通' (Everyone Disaster Prevention e-Point Connect) website. The top navigation bar includes search, language selection, map, disaster information, and topic quick search. Below the navigation is a large green leaf graphic. The main content area features a map of Taichung city with various location markers and a cartoon character holding a smartphone. At the bottom, there are six cards with icons and labels: '我的設定' (My Settings), '訂閱項目' (Subscription Items), '我的防災卡' (My Disaster Prevention Card), '緊急避難包' (Emergency Shelter Bag), '平安簡訊' (Safe Message), and '我的防災卡(身心障礙版)' (My Disaster Prevention Card (Physical and Mental Disabilities Version)).
